THE NEWS.—The New York market yesterday was lower for breadstuffs, with an active business in wheat, Milwaukee club selling at 106@108.

Further news from Mormondom indicates that the Scamps in that quarter are in earnest in their determination to resist the U. S. troops.

The trouble in Baltimore seems to have ended, the Governor leaving it to the Mayor to preserve the peace, if he can and will.

There is more "stuff" from Washington concerning Gov. Walker.

VOTE EARLY, VOTE EARLY!

Our counsel to the Republican voters is to deposite their ballots early, and then devote what time they can to looking up and stirring up the lazy and backward voters. One energetic man can do a great deal of good in that way.

Be sure and vote early, if possible, and induce every man whom you can influence, to VOTE, and VOTE RIGHT.

THE MEETING LAST NIGHT.

There was a glorious meeting at Market Hall, last evening, to hear Judge DOOLITTLE. The Hall was filled to overflowing, and the spirit that prevailed promised well for the result to-day.—EDWIN PALMER presided, and E. W. CARPENTER acted as Secretary. Judge DOOLITTLE made a very able speech on the prominent issues of the campaign, and was followed by WINFIELD SMITH, Esq., in a spirited, energetic and eloquent appeal, which aroused the assembled multitude to the highest pitch of enthusiasm and elicited cheer after cheer. Now, friends, for the work TO-DAY!

CITIZENS OF MILWAUKEE! REMEMBER!

That when the usurper Barstow was in the Capitol, defying the mandate of the Supreme Court, which had ousted him after the exposure of the most disgraceful election frauds, JAMES B. CROSS presented the following resolution to a meeting in this city, called with the purpose, if possible, of encouraging the rebellion. Read it:

Resolved, That we tender our warmest hanks, and are under deep obligations to Wm. A. Barstow, the Governor of the State of Wisconsin, for the noble and dignified stand he has taken in asserting the independence of the Executive Department entrusted to him by the people, and in defending the Constitution and laws against the unreasonable and treacherous assault of a partizan Court, aiming at political power, and insidiously grasping at political dominion, and when thus vindicating, in his own person, the rights of the people of this State, WE WILL SUSTAIN HIM WITH OUR HEARTS, OUR VOICES, OUR VOTES AND OUR STRENGTH.

Is that the sort of man for a Governor of Wisconsin?

SIXTH AND NINTH WARDS.—In the Assembly District, composed of the Sixth and Ninth Wards, HENRY HILMANTEL is the Democratic Reform candidate for the Assembly. His opponent is F. R. BERG, Barstow Democrat.

☞ The Postmaster General has established a new Post Office at Barrett's Ferry, called Banfield, in Grant County, Wis., and appointed Frederick Coste, Postmaster.

Important News from Kansas.

The following is an extract from a private letter from Lawrence addressed to a gentleman of this city:

Tell our friends at the Chicago *Press* that we this afternoon (Friday, Oct. 23), received the certificates from the Secretary's office for the Free State members from Douglas and Johnson Counties. The Governor and Secretary have thrown out, also, the fraudulent returns from McGee County, and that gives the Free State men two-thirds of both houses. Judge Cato issued a writ of mandamus to compel the Governor to give the certificates to the Pro-slavery candidates from the District, but the Governor would not recognize the officer who served the writ, and they seemed to have dropped the matter, as the certificates came to hand to-day.

The fire-eaters at Lecompton are foaming mad about it.

Walker ordered Sherman's battery and the company of infantry from here last Monday; and to-night Col. Sumner with six companies of cavalry are encamped in Lawrence on their way to Lecompton also.—*Chicago Press.*

We learn further, that Walker had sent for the Free State Sheriff, to protect him from the wrath of the "free-enters"!

Important Rail Arrangement—Northern Western and Southern Routes.

The Postmaster General yesterday ordered a contract with Martin O. Walker, of Chicago for the conveyance of mails from Prairie du Chien, by La Crosse, Wilcox, Wabashaw, Reed's Landing, Red Wing and Hastings to St. Paul, Minnesota, during the suspension of navigation—say from the 15th of November, 1857, to the 15th of April, 1858—in four-horse stages six times a week each way. The distance is 247 miles.—During the season of navigation the mails are carried by steam packets on the river.

By another order, the connections are so perfected as to form a continuous line of railroad transportation all the way from Chicago to Prairie du Chien, thus expediting the mails from the east of general government and east ward by thirty-six hours.—*Baltimore Sun, 28th.*

Sudden Death!

We regret to learn the sudden decease of Mrs. Nancy Goodrich, wife of Joseph Goodrich, of Milton, which occurred at that place on Friday last. She was about the house as usual before dinner, apparently well. She left the dinner table and went into the parlor. She had been gone about a moment, when Mr. Goodrich followed, and found her dead on the floor. She was aged about 61 years, and is very universally esteemed and respected for her many kind and benevolent qualities, and her loss will be deeply mourned by every one who has enjoyed the acquaintance or hospitality of the family.—*Free Democrat, Nov. 2.*

Tremendous Explosion and Loss of One Thousand Lives.

We have been favored (says the "Scindian" of Aug. 19) with the following translation or a Persian letter received from Jouspore, dated the explosion of the magazine at that place:

"On the night of the 10th August, between the hours of twelve and two, heavy rain fell, accompanied with loud peals of thunder and vivid flashes of lightning, imparting to everything around a ghastly spectacle terrifying to behold. A few minutes after, the scene was repeated with ten fold violence, and the people were greatly intimidated. In the fort belonging to the Rajah, which is situated on a hill, constructed of stones of various dimensions and sizes, and containing a passage subterraneous, where the magazines of the Rajah had been kept. This was struck with lightning and some thousands of pounds of powder were exploded.

The shock was so great that the walls of the fort and a temple and four gun-carriages were blown up in the air for a thousand yards, burying 500 houses and all the people living therein. Up to the time of writing, the remainder of the inhabitants were engaged in removing the dead bodies found under these ruins. It was gleaned from the Korwal of the place that upwards of one thousand had already been taken out, and that others were still lying in rubbish. Two hundred servants of the Rajah, as well as some Sepoys who were kept to guard the place, were all killed. Such a dreadful occurrence was never known in Jondpore before. The majority of the people were destroyed and otherwise injured.

An Easier Money Market.

The ease in Money at Bank is quite marked to-day, and the difficulty is now left to be the absence of the right class of borrowers and the right description of paper. There is, of course, an inclination to extend the line of discounts as the pressure, but to other hours who have paid straight through, and expect with a little help in the way of discount to continue to pay, every reasonable facility is granted. A number of the large banks are in want of first class short paper, and some of them would not refuse to lend money at call on first rate collateral. The domestic Exchanges have improved on Philadelphia. The broker's are buying at 9/6 to-day. On Baltimore 92; for Richmond 88; on Boston, 99¼@99 3-4. The terms on Chicago, Cincinnati, Louisville and St. Louis in the West, and Charleston, Mobile and New Orleans in the South are still unsettled. Gold continues dull at 100¼@100¾ per cent.

The next Europa steamer is the North Star on Saturday for Southampton. The business in Exchange for opportunity exactly opened today. London is held for 108@107 per cent.

WASHINGTON NEWS.—The Navy Department has designated three of the five screw propeller sloops of war, respectively to the navy yards of Gosport, Philadelphia and Pensacola, and one of the engines to be constructed at the Washington navy yard.

The plans and drawings of these vessels are now in process of preparation, and together with the sloop to be built by Mr. Westervelt, will be commenced with the most necessary delay.

It is not yet determined where the remaining sloop shall be built, but this question will probably be decided during the present week.

CITY MATTERS.

Proclamation of the Mayor.

The keepers of all liquor saloons and lager beer halls are respectively requested to close their respective places of business during the election on Tuesday next. By so doing they will mutually aid in preserving and sustaining the proud reputation for peace and good order, which our city, in contradistinction to many others, has so long enjoyed. I trust, therefore, that all will see the propriety of observing the above request, and act accordingly.

J. B. CROSS, Mayor.

POLICE COURT, NOV. 2.

BEFORE CLINTON WALWORTH, POLICE JUSTICE.

DRUNK.—Henry Richardson, fined $1.00 and costs.

John McGuire, fined $1,00 and costs.

David Foley, fined $1,00 and costs.

John Trueman, fined $1,00 and costs.

DISORDERLY.—Francis Reynolds fined $10,00 and costs.

John Sherwood, intoxicated and disorderly, fined $15,00 and costs.

Thomas Jefferson, fined $5,00 and costs.

Henry Williams, intoxicated and disorderly, fined $6,00 and costs.

BUSY PEOPLE.—The corner by the Juneau Bank presented a busy scene yesterday. A stranger, who did not understand that the democratic head quarters were in the 1st story of the building, would be puzzled to think what so many people found to do in these hard times. The politicians of the greater and lesser sort congregated there in crowds, talking over matters, making arrangements, and discussing probabilities. One enthusiastic Democrat insinuated that "the pins were all set up" to give Cross 6,000 majority in this county; but another one checked the exuberance of his feeling by telling him that the "Dutch" might knock the pins down!

RATES OF FARE.—The Convention of Ticket Agents recently held in Chicago, increased the rates of fare materially. The new rates went into effect yesterday. The fare from Chicago to New York is now $24; to Boston $26; to Philadelphia $22; to Pittsburgh $14; Cincinnati $10; St. Louis $10; to Buffalo $16; to Cleveland $10; to Detroit $8,50; to Toledo $7; add $2,50 to each of these and you have the fare from Milwaukee to the above places.

A SIGN OF THE TIMES.—The very small cargoes brought by the propellers from the East is one of the surest indications of the tightness of the times. Last year, at this time, they were bringing cargoes of 300 to 400 tons, and more, of merchandize, while now they have barely enough for ballast. Many merchants in the West are entirely unable to obtain goods on the usual terms, and those who have the means are all buying light stocks, to suit the times.

AT HALF MAST.—Many of the flags of the shipping and tugs in our river, were at half mast last Saturday, on account of the death of Captain John Ferrell, master of the steam tug *Stillman Witt*, which exploded at Buffalo on the 28th instant.—Mr. Ferrell was one of a family of brothers, who placed the first steam tug upon the Western lakes. They were the pioneers of the propeller tug *Enterprise.—Wisconsin.*

WEATHER.—The skies, which gave promise yesterday morning of a fine day, failed to redeem, following the bad example of the Eastern banks, and we had a raw, cold, windy, dusty, cloudy day. What was to come of it, it was difficult to say last night, but the prospect was decidedly in favor of a regular election storm.

LATE WORK.—The heavy frosts have held off so long as to allow the laying of brick to proceed to this time, and there are many fine blocks and single buildings which are still ringing with the sound of the trowel. A week or two more of no worse weather will enable the contractors to get all handsomely under cover.

ERROR—SPECIE RATES.—An error occurred in making up the weekly review of the money market by BRIDGE BROS. in our yesterday's issue. The buying rate for gold is stated at 4 per cent., and he selling at 5 per cent. The rates should be respectively 5 and 8 per cent.

SCHOOL TEACHERS.—Of the large number applicants for situations in one High School as teachers, those holding the numbers 2, 8, 4, 7, 11, 12, 14, 15, and 20, ten in all, passed perfect examinations. Of these, seven will be selected as teachers, and the announcement made this week.

A PEACEABLE ELECTION.—It is to the credit of our city that we always have a peaceable time at our elections. We trust that this day will be no exception to the general rule.

THEATRE TO-NIGHT.—At the Theatre to-night, the play of "Naval Engagements" is to be presented. Mr. JOHNSON as Admiral Kingston Miss JESSY MACFARLAND appears in one of her dances, and the performance concludes with the farce of "The Course of True Love never Runs Smooth," Mr. J. A. MILLER as Darius Dutton.

Last evening the fine old Comedy of the "Heir at Law" was played to a good-house and in capital style. Mr. JOHNSON'S *Dr. Pangloss* was a most artistic performance and deserved the hearty applause which it received. Mr. MULHOLLAND, as *Zekiel Homespun*, JESSY MCFARLAND, as *Cicely*, and Mrs. HILL, as Lady *Dudley* acquitted themselves very creditably. Indeed all the characters were well sustained, and the performance gave entire satisfaction.

Mr. MCFARLAND is certainly redeeming all his promises and merits the substantial patronage of the public.

☞ *Almost everybody has heard of "Wood's Hair Restorative."* That the same is best restorative in *this* case is no wonder, we have the testimony of individuals whose elevated position in the country, as well as their acknowledged and honorable character as citizens render whatever they publicly assert in the last degree reliable. Several of these have *tested*, personally, the hair preparation we are now speaking of and hardly do it justice in saying it is the most popular and possible. Other certificates can be seen at the proprietor's depot, 312 Broadway, New York, and one seen and been certified to, we have a hesitation in saying that Col. Wood will in a short time be the most prominent man of Wood's Hair Restorative in the United States. Wood's Hair Restorative, its doctrines and the article of it is liked ever yet produced.

☞ Those not eyes, but gives the health and beauty to the decaying, ailing and dead restoring hair by magic that which was supposed to be irrecoverably lost. GUY GOE—Capt. Munson, of the Northwestern Insurance Co., has succeeded in getting off the brig Ocean Eagle, which went hard on Horse Shoe Reef, a few days since, with a cargo of wheat. After getting five pumps aboard, and then not being able to float her, he adopted the plan of sinking two canal boats, commonly called "Lake boats," alongside, passing chutes from one to the other and stacking the wheat in them. The boats were then pumped out, plugged, and the vessel floating, was towed into port this morning, about five o'clock.—This was accomplished after yesterday about 4 P. M.—The O. E. goes into dry dock.—*Det. Adv.*, 30th.

THE CAROLA.—This schooner, an account of whose collision with a brig we published a few days since, arrived here to-day in tow of the tug Experiment, having been towed yesterday as far as Algonac by the Rescue, she is leaking but very little, and her cargo of wheat has not been damaged. She will go into dry dock for repairs.—*Ib.*

BY MAGNETIC TELEGRAPH.

Affairs at Baltimore.

BALTIMORE, Nov. 2—3 P. M.

This morning, before daylight, some rowdies threw bricks at the Church of the Immaculate Conception, situated at the western extremity of the city, and broke some windows, and it is said did some other slight damage. The sexton tapped the bell, and the people pursued the gang, who fled after firing upon the police.

Gov. Ligon has withdrawn his proclamation calling out the military, and negotiations have been going on all day between a committee of citizens representing the Mayor, and the Governor, and finally this evening, the committee issued the announcement jointly, that they were authorized to state the Governor being satisfied that the arrangements made by the Mayor, for the preservation of peace and to secure the uninterrupted exercise of the right of suffrage, are sufficient, the military will not be made use of.—The day has passed without disturbance, though the streets in the vicinity of the Mayor's office and Barnum's Hotel, were crowded all the afternoon. Crowds were standing about awaiting the result of the negotiation.

From Washington.

WASHINGTON, Oct. 31.

It is now ascertained, on a specific inquiry that the reports of last night, which were prevalent in usually reliable and well informed circles, of intention on the part of the administration to remove Gov. Walker and Secretary Stanton is without the least foundation, to believe that either intend resigning. The last date from either only come down to the 10th of October.

Another dispatch from Richmond confirms the report of the loan of 3,000 muskets by Governor Wise to Gov. Ligon of Maryland. Six boxes containing forty each, passed through this city yesterday; about sixty boxes more arrived this morning, and remain at the depot.

NEW YORK, Nov. 2—3 P. M.

The Nebraska correspondent of the "Times," writes as follows under date of Oct. 22:—News has just reached here from our frontier-Mormon settlements, in Rock Fork, Platte River, near Beaver river, that some recedents from the Danites of Salt Lake, reaching that settlement a few days since, bring the news that a large force of Mormon Military, under Brigham Young and H. O Kimball, were passing to lower Salt Lake City, with provisions for a six weeks campaign in the mountains, and then if possible stop the passage of the U. S. troops, although their positive destination was secret, yet it was generally supposed that at the pass in the mountains near Bear river cut off, or at Steple Rocks, the stand would be made, with an almost certainty of whipping out the entire force sent against them.

In relation to the Kansas despatch received on Saturday, the St Louis correspondent of the Associated Press says, we have received no such intelligence here, and nothing like it has passed through the telegraph office in this city to-day. The despatch has internal evidence of its being a hoax.

Gov. Walker has troops at Lecompte for the protection of the Constitutional Convention, and if he had not he would scarcely demand it of an officer who has not been in command and who for some time past has been under arrest.

I saw a letter from Secretary Stanton dated Lecompton, Oct. 28, and it makes no mention of any difficulty.

THE BALLOT.

The names of all persons voted for must be on ONE BALLOT.

QUALIFICATIONS OF VOTERS.

1. Citizenship, or Declaration of Intentions.
2. Twenty-one years of age, or upwards.
3. One year's residence in this State.
4. Actual residence in the Town, or Ward where the vote is offered.

DON'T FORGET TO VOTE.

PEOPLE OF MILWAUKEE!
What will you do To-Day?

Would you rather have a man for Governor who is a consistent friend of true Republican doctrines, and who has steadily *opposed* the frauds and corruptions of the late Democratic dynasty, now again seeking power; or a man who is a steadily *supported* Barstow and his frauds and corruptions throughout? If the former, vote for A. W. RANDALL.

Would you rather have for Lt. Governor a man of whom nothing is known save that he is a candidate of a corrupt party; or a noble-hearted, intelligent, able and eloquent German fellow-citizen, who has proved his faith in Republicanism by his works! If the latter, then vote for CARL SCHURZ.

Would you rather leave the School Fund and Treasury in the hands of the party which has wantonly wasted the one and plundered the other outright; or in the hands of men who will sacredly guard and faithfully account for both? If the latter, then vote for Messrs. THOMAS, HASTINGS, and JACKSON.

Would you rather have the important banking interests of the State confided to a mere politician, of no business experience; or to a man of abundant experience and sterling integrity? If the latter, then vote for JOHN P. MCGREGOR.

Would you rather leave our Common Schools in the same sort of inefficient hands in which they have suffered so much hitherto; or would you place them in charge of an able, experienced, energetic man, who is thoroughly devoted to the cause of Education? If the latter, then vote for JOHN G. MCMYNN.

Would you rather see the present miserably inefficient and wasteful system of managing the State Prison continued; or would you see a man of intelligence, faithfulness, and real ability placed in charge of that concern? If the latter, then vote for EDWARD M. MACGRAW.

LOOK TO THE STATE TICKET! Don't be CHEATED OUT OF VOTING THE RIGHT BALLOT!

Look to the Legislature.

It is important that this city and county should be well represented in the State Legislature. We have had enough of *bad* legislation for Milwaukee—enough of legislation intended to fill the pockets of sundry democratic politicians with money filched from the hard earnings of the people.—How much longer will the people bear it? Is there no limit to their endurance of these things? We appeal, as we have often before appealed, to the TAX PAYERS—the BUSINESS MEN—of our city, to give one day to their own interests. Look over the tickets nominated by the two parties, and see which men are best entitled to your votes.

For Senator from the 3d, 4th, 5th, and 8th Wards, and the five southernmost towns of the county, the Democrats have nominated PATRICK WALSH. Is he the man for the place? The Republicans have nominated no one. MORGAN L. BORDICK, an old settler and reliable man, is an independent candidate for the office in the same district. Between him and Walsh you must choose—which shall represent that important district in the Senate?

For the Assembly the Republicans have nominated candidates in only three of the city wards, and in two of the county districts.

PEOPLE OF THE 1ST AND 7TH WARDS, you who have been worse abused by your representatives in the Legislature, (and as far as the 1st Ward is concerned, in the Council) than any other Wards in the city, which man will best represent you at Madison—WM. A. PRENTISS, or DIGHTON CORSON? Reflect for a moment, before you deposit your ballot, and be sure that you vote for the best man. Mr. PRENTISS, as a man of ability, of honesty, of thorough acquaintance with the interests of the city, *ought* to be elected. He *can* be elected, if the proper effort is made.

Messrs. BUTTERFIELD and DOUGLAS, the Republican candidates in the 4th, and the 5th and 8th Wards, are men who compare favorably with the democratic candidates in their qualifications for representatives, while they have the additional merit of being true Republicans. GIVE THEM A HEARTY SUPPORT!

Our words to-day can reach but few in the county districts, but we know that the Republican candidates, A. S. DARROW in the Wauwatosa district, and O. ELLSWORTH in the Lake district, are men who ought to be elected, and we hope to hear a good report from them.

LOOK TO THE LEGISLATURE! In view of the times, and the condition of the city finances, it is all-important that Milwaukee should be well represented. Will the tax payers see to it in time to-day!

"FOR THE EXTENSION OF SUFFRAGE."

We trust that the vote to-day for the Extension of Suffrage to colored persons will not only shew that the Republicans of Wisconsin are willing to do this measure of justice to a proscribed and unjustly treated class of citizens, but that a great many democrats scorn the miserable slang which their party presses have uttered on the subject, and are also willing to do justice. We hope to see a majority of the votes in the State cast "*For the Extension of Suffrage.*"

WATCH THE POLLS CAREFULLY TO-DAY!

BEWARE OF FRAUDS!

Preparations have been made in most of the Wards for good men, well acquainted with the residents in their several localities, to be present at the Polls, and watch against frauds. Wherever these preparations may have been neglected, let honest, true, and resolute men volunteer for the important service. Unless this duty is *well* done, the Sham Democracy will poll illegal votes by thousands to-day. LET us by all means have A FAIR VOTE! Let every man vote as he pleases, BUT SEE THAT NO MAN VOTES WHO IS NOT A LEGAL VOTER at the Poll where he offers his ballot.

Men who did not hesitate to support Barstow and his associates in *their* election frauds, and who did not scruple to import railroad hands to override the wishes of the people of Granville, at their caucus, are desperate enough to perpetrate any possible fraud. Therefore, WATCH THE POLLS CAREFULLY TO-DAY.

We repeat, once more, the requirements and penalties of the new Election Law:

Before the Polls open, the following is the duty of Inspectors:

"It is the duty of the Inspectors of the election, or one of them, immediately before proclamation is made of the opening of the polls, to open the ballot boxes in the presence of the people there assembled, and turn them upside down, so as to empty them of everything that may be in them, and lock them; and they shall not be re-opened until for the purpose of counting the ballots therein, at the close of the polls."

The clerks are to write the word "sworn" after the name of every man who takes the oath when challenged.

The PENALTIES provided in the law are as follows:

PENALTIES FOR ELECTION FRAUDS.

For voting in a town or ward where a person does not reside, but in the right county, one to six months in the county jail.

For voting in another county, one to two years in State Prison.

For voting more than once, one to two years in State Prison.

For voting in this State, by residents of another State, one to two years in the State prison.

For voting when not qualified according to the Constitution, two to six months in county jail.

For procuring, aiding, counselling or advising an unqualified person to vote, a fine of $100 to $500, and from one to six months in the county jail.

For procuring, aiding, or inducing a person to vote where he does not reside, one to three years in State Prison.

For procuring or inducing a person to vote or withhold their votes, by bribery or threats, a fine of $500 to $1,000, or three to twelve months in the county jail.

For deceiving voters who cannot read, into voting against their inclinations, or for deceitfully changing their ballots, one to two years in the State prison.

For inserting ballots fraudulently into the boxes, one to two years in the State prison.

For an inspector to place any ballot in the box, except his own, regularly received, three to five years in State prison.

Perjury to be punished according to the Statute, two to five years in State prison.

For Inspectors to knowingly receive or sanction the reception of votes from persons who are not qualified, or who shall refuse to answer the questions or to take the oaths; or to refuse to administer the oaths; or to act with wilful neglect, or corruptly, one to five years in State prison, or fine of $100 to $500.

For inspectors or clerks to make or aid in making false returns or poll books, or refuse to make returns, one to five years in the State prison.

For canvassers of votes to make false canvasses, or false certificates, or alter or destroy the canvass, two to three year in State Prison.

After the election,—the law says:

"The canvass of votes shall be made publicly in the presence of *any persons desiring to attend the same*, and the result thereof shall be *publicly announced* by the Inspectors at the close thereof, and they shall in the announcement *declare the whole number of votes cast at such election and the number given respectively for each candidate* or proposition voted at such election.

Where will you have Wisconsin Stand?

REPUBLICANS OF MILWAUKEE! Would you have our State stand straight on the noble platform adopted by our party of Freedom, and maintain its position among the array of States which are true to the cause of Liberty, BE SURE AND VOTE to-day!

Remember that a FULL VOTE is a REPUBLICAN VICTORY!

PRO-DI-GIOUS!

We learn from the *American* of yesterday morning that the editorial "we" of that paper, to-wit, Colonel ARTHUR WELLINGTON HART, "accompanied by Geo. WOODWARD Esq. and Col. WILSON," proceeded to Waukesha on Saturday evening, in pursuance of the following challenge:

OFFICE DAILY AMERICAN,
October 28, 1857.

DEAR SIR—I noticed by your remarks to-day that the charges made against you from Waukesha had given you annoyance.

I shall be happy to meet you at Waukesha on Saturday evening, if you will agree to convene a meeting where the matter can be met on the spot and justice done you.

An answer will oblige.

Yours, very respectfully.
A. WELLINGTON HART.

A. W. RANDALL, Esq.

When the verbose and valorous Colonel arrived "on the spot," attended by his seconds as aforesaid, "A. W. RANDALL Esq.," was not there; and the Colonel returned to Milwaukee without the scalp of his expected opponent. It does not appear indeed that the latter received the defiant missive of the redoubtable Colonel. If he did, no doubt he was deterred from the encounter by the threatening language of the cartel:—

Whoever dare these boots displace,
Must meet Bombastes, face to face!

Judge RANDALL had no mind to "face" Bombastes.

Office not for "Poor Men."

That exceedingly Democratic organ, the *American*, continuing to the last its lying assaults and libellous aspersions upon Judge RANDALL, thus oracularly speaks:

A poor man, and one whose salary is not equal to the demands upon him is the last person to fill the Gubernatorial chair; $1,250 won't much more than pay servants' wages, and where is the balance to be found? Electors, we have had enough of this forcing upon us a poor man, and a mendicant for office at that.

These sneers at Judge RANDALL's "poverty" come with especial grace from a paper which is just now so full of "democratic" professions. It will certainly be news to the masses of the Democratic party to learn from their organ, the *American*, that offices are not for the poor, but for the rich.

Remember This!

That so far from denying that JAMES B. CROSS is a supporter of William A. Barstow as Governor, and as Usurper of the chair of State, the Janesville *Standard*, Barstow's home organ, thus defends him, and claims Mr. Cross as his defender;

"We say boldly, that Governor Barstow's Administration (so far at least as he had anything to do with it,) was one of the soundest and safest we have had since the Territory was formed! and we challenge the comparison.

A better, more reliable and honorable set of men have not occupied the same position since we were a State, than those who composed it.

MAYOR CROSS *is* A POLITICAL FRIEND OF GOVERNOR BARSTOW, AND WILL IN EVERY PLACE DEFEND HIM."

The Know Nothing Democracy vs. the Germans.

The slang phrase applied by the Cleveland *Plaindealer* to the Germans of that city who last year refused to vote for Buchanan, is well remembered. That decent organ of democracy called them "hair-lipped Dutch red republicans."

The Germans of Missouri and of Kansas are among the strongest friends of freedom.

The Germans of Davenport, Iowa, voted very generally with the Republicans at the late election, and the *Gazette* of that city says of them:

We cannot close this congratulatory article without expressing the full and warm appreciation of our party, of the earnest labors of our German born fello-citizens. They marched to the polls in almost solid phalanx, and gave their votes for the party of freedom, for the true and only true Democratic party of this Republic.—Many of German born who had heretofore been known as "Democrats," right-faced into the Republican ranks. The Germans did their whole duty, and we cheerfully divide with them the glory of victory. We hope to have the gratification of hauling, side by side, with them again, and frequently, in the cause of human and political liberty.

On the contrary, the *Democrat*, the Democratic organ of Davenport, thus abuses the Germans:

THE RESULT.—There is much to surprise in yesterday's contest. Its solution, however, is easy. Our city is swayed by a mass of red republican zealots whose souls having been crushed out by the federal tyrannies of Europe, come here, and deceived by the lies of specious demagogues, and ignorant of the first principles of our constitutional character, vote for a mythical Liberty.

So it is with the democratic leaders. So long as the Germans vote without question for their candidates, and support all their measures, however infamous, they praise them to the skies; but if they ever dare to think and act for themselves, these organs of the Sham Democracy insult them without stint. How long will the Germans of Milwaukee suffer themselves to be led by such leaders?

Fifth and Eighth Wards.

Pursuant to a call, the voters of the 5th and 8th wards, met at the Niagara House for the purpose of nominating a suitable candidate for the Assembly.

A. C. JONES was called to the chair, and stated the object of the meeting, after which JAMES DOUGLASS was unanimously nominated as the Republican candidate for the Assembly.

Challengers—James Lewis and Wm. Cooke.

Ward Committee for the Ensuing Year—Gregor Menzel, George Burnham, A. C. Jones.

After which several strong and spirited straight go-a-head speeches were made for the principle of right and justice, and against all Barstowism.

The meeting adjourned until Tuesday morning to meet and to work with a good will for their candidate.

A. C. JONES, Pres't.

JOHN REGES, Sec'y.

EMANCIPATION.—An article taken from a St. Thomas paper, states that Holland has settled all details for the general emancipation of slaves in the Island of Curacoa, Bonlaire, Aruba and St. Eustatius. All the emancipated slaves who can, will be called upon to work for the State, which will pay them fair wages. According to the arrangements made, Holland will pay to every slaveholder a fair equivalent for the slave.

The Minnesota Election.

The St. Paul *Minnesotian* comes to us with the following article triumphing over the result in the new state on our western border;

Out of the Woods at Last!—Ramsey Elected Governor of the STATE of Minnesota.—Shout! Republicans! Shout!

To-day, we feel authorized to say, that there is no longer doubt, who is the Governor elect of our future State; and that ALEXANDER RAMSEY is the man by a small though decisive and sufficient majority.

In announcing this glorious result, which will send a thrill of rejoicing on every telegraph wire to every Republican neighborhood in the Union, we take some credit to the Republicans of Minnesota for the gallant manner in which, under the most disadvantageous circumstances, they have thus early in their progress, reached so triumphant a result.

Never before, in the history of our Territories, has the Democratic party failed to control completely their political inauguration into the Union.

To emancipate themselves from its thrall, took Wisconsin, and Iowa and Michigan after their admission into the Union eight and ten years of hard battling. But Minnesota, youngest of the sisters, waves the Republican flag on the very threshhold of the national mansion, as she makes the air resound with her knockings at the door for entrance.

And this triumph has been won, also, under adverse and discouraging circumstances.

The federal administration being in the hands of our opponents, its swarms of office holders of every kind formed a disciplined cohort, who drew from the public treasury the sinews of war, and stopped at the perpetration of no fraud they thought necessary for their success.

A large portion of the Indian tribes of the Territory, in violation of propriety and of the Constitution, have been made to cast ballots against us. Double and treble voting was resorted to by them in every locality where it was practicable; and voters were colonized from Wisconsin under the ten day clause, to bear down the Republican candidates.

But it all did not avail—the unbought *people* have come up to the rescue, and ALEXANDER RAMSEY is Governor of Minnesota!

Latest news from the Upper Missouri.

We are indebted to Mr. J. Jewett Wilcox of the steamer Omaha, which arrived yesterday from the upper Missouri, for the following interesting intelligence:

At Nebraska City, the Omaha took on board several *voyageurs* and Blackfeet Indians; also, Major Culbertson, of the American fur company, Col. A. H. Redfield, Indian agent of the Blackfeet tribe, Doct. J. D. Arnold, and others. They had left Fort Benton, 750 miles above the Yellow Stone, and nearly three thousand miles above the mouth of the Missouri, on the 22nd day of August. When the Omaha took them on their "Mackinaw," on the 22nd Oct., they had been voyaging sixty days. The Omaha was the first steamer they met. The *voyageurs* report the Crows, Blackfeet and Mandans, as peaceable and friendly, but that the Sioux along the whole route are decidedly hostile, and much trouble from that tribe is anticipated the coming winter. —*St. Louis Dem.*

The Victory in Iowa.

The victory gained by the Republicans of this State on the 13th inst., is overwhelming and complete. The Slave Democracy are at last compelled, though reluctantly, to own that they have been completely overpowered and discomfited. The decree has gone forth; the people have spoken in thunder tones; and their *free* voices, gathering strength and compass at every ballot box, have carried the word Victory from the "Missouri Slope" over our broad prairies to the mining and sub-treasury region of the north, from whence come the echo that Jones and Samuels are no more. They are wearied of the one and have shown their want of faith in the patriotism and integrity of the other. Iowa, free and intelligent as she is, has been represented long enough by a dust licking, sycophantic tool of the Slavery Propagandists; one who must needs consult with Keitt, Brooks, Jeff. Davis, the Virginia Dean, and men of like ilk; as to how he shall vote and what he shall say. She will send a man to our National Capitol fit to be the colleague of the indefatigable Harlan; some one who is capable of appreciating and defending the rights of his constituency; who will help to guard the interests of the whole people from violation at the hands of those whose personal aggrandizement and future prospects for a place at the public crib, would make them wink at and defend innovations upon the principles and well known teachings of the political fathers of the country.

With Judge Lowe at the head of the State Government, the people are sure of their rights, being guarded with a vigilence equal to any emergency. His known ability, undeviating rectitude, and long residence in the State, qualify him, in a pre-eminent degree for the post to which he has been called.—*Iowa City Republican, Oct. 27.*

Mr. Buchanan on Cuba.

The President is busy with the preparation of his Message. It is very likely that he may disclose the most important proceedings relative to the Island of Cuba. The acquisition of that Island is to be a darling object with Mr. BUCHANAN's administration, and whatever policy or statesmanship can suggest towards its transfer from Spain to the United States, will be done, and much, it cannot be doubted, has already been done. How much Mr. BUCHANAN has this object at heart is shown by his very liberal offer of $150,000,000 for it, while Secretary of State, and by the terms of the Ostend Manifesto which was carefully prepared by him, in such a manner as to justify the forcible seizure of the Island if Spain should obstinately continue to refuse our generous offers for it. It is a remarkable fact that nearly incredible offer of more money for Cuba than has been paid for the whole enormous quantity of our public lands, was concealed from the knowledge of the public for six years after it was made by Mr. BUCHANAN. This, however, was in perfect accordance with the secretive character of that administration. Mr. POLK's first Message disclosed many startling diplomatic movements on the Oregon and other questions of which not the slightest suspicion existed while they were under advisement.—*N. Y. Courier & Enquirer.*

OUR STATE OFFICIALS AND THE SCHOOL FUND.—The Delavan *Messenger* says that Secretary Jones and his associate commissioners at Madison, are responsible for the following School Fund loans at Janesville:

Last June $500 was loaned on a house and lot on which there was a prior mortgage, which prior mortgage has been foreclosed, and the property sold to pay the same, leaving the School Fund *minus* the whole amount of the loan. Mr Jones was informed of the foreclosure, by Mr. Whiton, the Attorney who prosecuted the foreclosure, and took no notice of it, whatever. It is safe to say that the School Fund has lost of *principal*, loaned on inadequate security, in the single locality of Janesville, over $1,500, within six months.—These statements are capable of proof, and we refer for proof, to the Records of Rock County.

The Janesville *Gazette* also confirms every word of the above.—*Wisconsin.*

JUDGE DOOLITTLE AT OSHKOSH.—Thursday evening we had the pleasure of hearing Judge Doolittle. At an early hour the large hall was packed full, and for two hours the Judge held the audience almost breathless. They seemed to fear even to raise a cheer, lest they should lose a word that might fall from the speaker's lips.

The speech was a noble one, just such an one as we should expect to hear from a man chosen before all his fellows to represent the majesty of our Sovereign State. It was dignified, clear, logical and pointed, and most fully answered the definition of eloquence, in being the logic of a clear, broad, deep mind, set on fire by a great true heart. Judge Doolittle looks every inch the orator, and his hearers are impressed with the belief that, however far he may go in the surge of his eloquence, that there is yet a mighty reserve force behind it all which he has not drawn upon. A more conclusive chain of reasoning on the great issue of this age, could not well be given.

Wisconsin may well be proud of her Republican Senator. He will prove no tyro, or boy among the giants at our national Capitol.

30,000 and 40,000!

Two years ago, in the election for Delegate, 9,000 votes were cast in this Territory. The figures of this late election will foot up to 40,000. 30,000 have already been returned as official.—*St. Paul Times.*

NATIONAL CHESS CONGRESS.—The Grand and Minor Tournament made decided steps in advance yesterday. In the former, Mr. Paulsen gained a hard fought victory from Dr. Raphael when his opponent seemed to have won a game. The latter gentleman had conducted the contest in a most brilliant and determined manner, but a slight mistake on his part threw the advantage on the other side. Dr. Raphael has added to his well-earned reputation as a leading chess-player, and has admirably represented the State of Kentucky throughout the Tournament. He resigned the third game of the section last night, and to-day will commence playing with Mr. Lichtenhein of New York for the third or fourth prize.

Paul Morphy and Louis Paulsen have kept alongside each other throughout the Tournament, neither having lost a single game, and each of them having made one draw, both occuring in the third section. That which all the Congress so much desired has at length come to pass, namely, these two gentlemen battling for the first two prizes. They commence this morning and will play each day from 11 A. M. to 3 P. M., and in the evening from 7 P. M. till 10 P. M. The victor must win five games from his opponent, instead of three as heretofore.—*New York Tribune*, Nov. 2.

GEN. HAVELOCK'S LAST ENGAGEMENT.—Gen'l Havelock, who had recrossed the Ganges after his unsuccessful attempts to relieve Lucknow, rested a few days at Cawnpore, his troops having been much crippled by sickness. On the 16th of August, the force marched toward Bithoor, where a large body of the enemy, about 4,000 in number, with two guns was posted. Havelock's force mustered about 1,500 men, with about 14 guns. The right wing was toward the Ganges, and the left on a deep nullish crossed by a bridge. After an obstinate engagement, in which the enemy lost 250 killed and wounded, they were driven from their position, and fled in confusion, leaving their guns behind. In this contest the British troops lost about fourteen killed and thirty wounded, besides some of their baggage. After the action, Havelock's force retired towards Cawnpore, where they arrived on the 20th of August, after a harrassing and fatiguing march, during which they suffered severe privations which were patiently borne by our gallant soldiers. Cholera had made its appearance among the men, carrying off ten or twelve daily, but the ravages of this epidemic had since begun to abate.

THE TURF.—The twenty-five mile trot between the Dalton and Taylor horses took place at Bridgeport on Friday of last week, and resulted in favor of the first named, he making the distance in 1 hour 32 minutes and 36 seconds. The Taylor horse broke badly during the race, and on the last home stretch ran by the other, coming in a neck ahead. His running, however, disqualified him for taking the purse, and the judges decided in favor of Broker. The two kept very near together during the whole race, and divided the half miles about equally. Their first half mile was in 1:45, their last in 1:43, while the least time was 1:38, and the longest 2:01. Mr. Dalton stopped his horse three times for rest, but the other kept on the track from the start to the close.

TERRIBLE—IF TRUE.—The Wakulla (Florida) Times of the 14th inst., says that a gentleman residing at Aitapupigus, Ga., recently received a large sum of money. He was soon afterwards obliged to leave home on business, and on the evening of his departure, two negroes came to the house and demanded of his wife to be shown where the money was, under penalty of death. She complied, and they then demanded some supper, which the lady furnished them, putting, however, a quantity of strychnine into their coffee.—In a few minutes they were both dead, when it was ascertained that they were white men, and near neighbors, in disguise, who had been aware of her husband having received the money as before stated.

NOVEL SUSPENSION OF BANKS.—A young woman in Philadelphia, by the name of Eliza Banks hung herself the other day on account of unrequited love. She was cut down, however, before life became extinct. Of course Miss Banks resumed current payments, and immediately expanded her circulation.

BADGER STATE SAFES!

NOT TO BE SURPASSED in any respect by any safe manufactory in the whole country, we have just completed our arrangements for manufactoring the

BADGER STATE SAFES:

Upon a larger scale than we have ever done heretofore by the introduction of new machinery, and by increasing our manufacturing facilities.

FIRE & BURGLAR PROOF!

Our SAFES, as is well known, are more substantially constructed, and more handsomely finished, than any other safe manufactured in America, and consequently it has cost us more in getting up our safes than any other manufacturing establishment in the country. But, notwithstanding this, we are now enabled to offer our safes to the public at
